U7 & U8

Under 7's & Under 8's players are selected in teams of mixed ability. Matches are played at 5-a-side.

At all times managers must work together for the benefits of the players, and within the parameters set by the club.

It is within the interests of all Managers, Players and parents that the teams within each age group train together.

No team is a "closed shop", it may be necessary at times to change players from team to team.

U9 & U10

Under 9's & Under 10's players should begin to be streamlined into teams depending on their current playing abilities, this is with a view to picking teams for the step up to 11-a-side at Under 11's.

Matches are played at 7-a-side.

At all times managers must work together for the benefits of the players, and within the parameters set by the club.

U11+

Players should be picked for teams based on their current playing ability.

Matches are played at 11-a-side.

At all times managers must work together for the benefits of the players, and within the parameters set by the club.

It is within the interests of all Managers, Players and parents that the

teams within each age group train together.

It is imperative that the players and parents understand that their child will benefit most by playing with and against players of a similar standard.

No team is a "closed shop", players do develop at different times - both technically and physically, players should be given the opportunity to develop further in different teams and Managers and Coaches will change players from team to team when necessary.
